

BREAKSPEAR RIDING CLUB

INVITES YOU TO

'EQUINE GAIT ANALYSIS'

MONDAY 18 JULY 2011

**Green End Farm, 93a Church Lane,
Sarratt, Herts WD3 6HH**

**by kind permission of Jonathan Chapman
commencing : 6.30 pm**

Dr.-Ing Thilo Pau PHD is a lecturer in Bio Engineering at RVC Potters Bar and he will do a 25 - 30 minute presentation about 'Baseline Gait Analysis with sensors', followed by a practical demonstration.

There will then be a presentation by Peter Day Dip WCF. He has worked as a farrier at RVC for over 20 years and is the inventor of the hoof support patch for the prevention and treatment of collapsed heels in horses.

Then the results of the practical demonstration will be shown followed by a summary and discussion.

Cost per person : £5.00 Limited to a maximum audience of 30
